

## Special Projects Request/Recommendation Form

This form is for use by teachers to request funding for school projects related to vocal music or to recommend sponsorship of a deserving student for participation in a vocal music opportunity. (Examples might be all-state chorus or chorus trip expenses for a student.)

(Print or Type)

Contact Person \_\_\_\_\_ Title \_\_\_\_\_

Check Made Out To: \_\_\_\_\_

### Application Guidelines:

Checks are typically made out to the school, program, or organizational contact person.

Awards are meant to facilitate participation by the youth of Watauga County in special activities, workshops, or camps that offer vocal music experiences or artistic development not otherwise accessible without financial assistance in the range of \$50 to \$150. These awards are not typically made for private lessons. (For private lessons, speak to the Executive Director to see if any scholarship monies are available in the pool for that type of instruction)

Awards may be less than the amount request in order to facilitate broader support in the community as determined by the application review committee.

A letter of support may be provided from a teacher or responsible person to guide committee review.

After the project is completed, please provide a note or other documentation that the activity/project was successfully completed.

Send completed form to: Watauga County Arts Council, 377 Shadowline Drive, Boone, NC 28607
